

LED DECOR FG A60 8W/830 E27 DIM BX

The unique feature of the Decor 360 set is its 360 degree light distribution, i.e. the light also goes in the direction of the base. The opal-bulb models give an even clean white light without glare. Some of the models are dimmable. Connected to the elegant cord, an opal lamp is impressive as such, even without a shade.

TECHNICAL DATAS (ETIM)			
Beam angle (°)	360	Nominal voltage (max) (V)	240
ETIM class	EC001959	Nominal voltage (min) (V)	220
Energy efficiency class	A+	Weighted energy consumption in 1,000 hours (kWh)	8
Diameter (mm)	60	Length (mm)	109
Dimmable	Yes	Min. number of switching cycles	100000
Voltage type	AC	Colour of light	830
Socket	E27	Luminous flux (lm)	806
Average nominal lifespan (h)	15000	Luminous flux (max) (lm)	806
Lamp power (W)	8	Luminous flux (min) (lm)	806
Lamp power (max) (W)	8	Colour temperature (K) (numeric)	3000
Lamp power (min) (W)	8	Colour temperature (max) (K)	3000
Lamp shape	Standard	Colour temperature (min) (K)	3000
Type of glass/cover	Opal	Colour rendering index CRI	80-89
