

## SURFACE 9W, VIPP/VRI

### TEKNISK DATA

|                    |                      |
|--------------------|----------------------|
| LED:               | Sharp Cob            |
| Driver:            | 180-240V/A C, dimbar |
| Systemeffekt:      | 9W                   |
| Lumen:             | 569lm                |
| Fargetemperatur:   | 2700K                |
| Ra index:          | Ra > 90              |
| Lysspredning:      | 40°                  |
| IP grad:           | IP 44                |
| Forventet Levetid: | 50 000t L 70         |
| Farge:             | Hvit, sort           |

### MÅL

|         |       |
|---------|-------|
| Dybde:  | 126mm |
| Lengde: | 126mm |
| Høyde:  | 82mm  |

### TEKNISK TEGNING
